

In House Training and Consultancy

Why bring a FranklinCovey Consultant Onsite?

Do you have a large group to be trained? Do you require more customised attention? Bringing a FranklinCovey consultant to your organisation is your best option.

- No down time due to travel.
- High level of interaction between participants and consultant.
- Sessions are taught onsite so there is no adapting to a new environment.

Benefits of Bringing a FranklinCovey Consultant Onsite

- We are leaders in our industry.
- Each consultant is a professional trainer with decades of content and industry expertise.
- Our faculty is consistently recognised as "world-class".
- We have a diverse selection of consultants in the UK from which to choose.
- Our consultants have been hired by thousands of organisations throughout the world.
- We have instructed millions of people around the world.
- Our faculty is cross certified to teach all of our curriculum.

Why should you choose FranklinCovey?

- Our consultants have a capacity to deliver at all levels throughout an organisation from the boardroom to the front line.
- We retain our own faculty of consultants.
- FranklinCovey has 20 years of experience in offering business solutions to organisations of all sizes and types.
- We have consultants that represent each region of the UK.
